

Northwest Permanente Influenza Passport Guidelines

October - December 2018

Education: Flu Activity in Your Area

Flu Activity in Your Area

Knowing influenza activity in your area is an important step in taking precautions to stay healthy.

To receive credit for this category, click the links below to find what percentage of tested specimens were positive for influenza then click the button to submit your answers.

Oregon – [FluBites](#) (most current report)

Washington – [Washington influenza update](#) (most current pdf report)

Oregon and Washington Flu Activity Question

Please submit all documentation to NWP Wellness, KPBC 16
or e-mail: nwpwellness@kp.org
