

Northwest Permanente Wellness Passport Guidelines

July - September 2018

Environmental: All Trails Challenge

All Trails Challenge

NWP is the Presenting Sponsor for the 2018 All Trails Challenge. Join the Northwest Permanente Team today.

Make this the year you take the challenge to explore Forest Park and help us restore this amazing place.

The All Trails Challenge is your chance to team up with friends, family, and co-workers or set out on a solo quest on one of three challenges, whichever is best suited to your interests. It's also a great way to raise money to support the health of Forest Park!

To fulfill this passport activity, join the All Trails Challenge. Be sure to select 'Join a Team' and select 'Northwest Permanente'.
