Volunteer for Earth Day

Northwest Permanente is hosting a work party/volunteer site in Forest Park during Earth Day. Come and volunteer.

Celebrate Earth Day this year by restoring Forest Park! Join others who love Forest Park to help restore native habitat and maintain trails. After a rough winter, there's a lot of work to do. The event is expected to fill up, so don't wait to register. No experience necessary. All training and tools will be provided. Dress appropriately. All ages welcome!

Please use KP email address so we can ensure everyone gets placed at the NW Permanente site.

**Saturday, April 20th
9am - Noon**
